Healthy Lunch Box Session

Parents and carers are invited to attend our Healthy Lunch Box Session which is being held on Friday 14th November between 12:00 and 12:30pm at our school.

Eating enough fruit and veg every day can help protect your child against diseases including some forms of cancer. This popular session is run by the Cancer Council NSW as part of the Eat It Beat It program.

Register your interest with the school office or email Aimee via aimeej@nswcc.org.au

P & C Christmas Raffle

The Christmas raffle is on again and your assistance will ensure its success. This is a wonderful opportunity to support your P & C and actively help contribute to your school.

We are hoping every family will donate non-perishable food or Christmas items (canned food, pasta, tea, pancake mix etc). Please leave your donations with the office staff by Monday 17th November.

Raffle tickets will be sent home shortly and will be drawn on Tuesday 9th December. The P & C greatly appreciates your support.

Year 6 Transition Day

Last Friday, Year 6 students from our local community of schools gathered here at Woolgoolga Public School to participate in the High School Transition program.

The program is designed to ease students into life at Woolgoolga High School by addressing the anxiety students can feel while changing school environments. Representatives from all 4 primary schools, along with teachers from the high school and the student’s year advisor for 2015, Mr Rob Pursch were in attendance.

The day was fantastic, with students from all schools getting to know each other while playing Kanga Cricket. Further activities have been planned for the coming weeks to ensure that the students have a successful transition to High School.

Year 4 attended their overnight excursion to Cascade Environmental Centre in Week 2. Students and teachers had an amazing time experiencing the historical and environmental aspects of the Cascade area. Walking in the rainforest blindfolded, catching mini beasts in the creek, hamburgers cooked by Chefs Abbott and Patterson, an archaeological dig and 'Twighlight' the python were highlights of the trip!
