P & C Family Portrait Fundraiser

We were very disappointed to be informed on Monday from Advanced Life Photography they had cancelled our Family Portrait Fundraiser booked for this Sunday, 9th November. Another school scheduled for the same weekend cancelled and Advanced Life was not prepared to travel for one school only. On behalf of the P&C, we apologise for any inconvenience caused but it is beyond our control. If you have already paid, please collect your money from the school office.

Remembrance Day – Tuesday 11th November

A brief service will be held at our school next Tuesday to commemorate and remember the noble sacrifices of armed forces and civilians during times of war.

Year 3 Arrawarra Excursion

Last Friday, 48 students, Mrs Patterson, Mrs Enersen and Mr Rook boarded a bus for Arrawarra Headland. We had pre ordered the great weather, flat seas and low tide. We had an amazing day exploring the rockpools on the rocky shores of the Arrawarra Headland, seeing so many different species of animals with our guide Chantelle from the Solitary Islands Marine Park. She was able to provide us with so much information about the animals and their environment.
Positive Partnerships – Two Day Workshops

A free two day workshop and information sessions for parents and carers of school age children on the autism spectrum will be held in Coffs Harbour on Wednesday 12th November and Thursday 13th November. To register please visit: www.positivepartnerships.com.au or if you do not have internet a copy of the registration form is available from our school office but must be returned by Monday 10th November. Please phone the Positive Partnerships Infoline if you have any enquiries:1300881971.

Reminder - Healthy Lunch Box Session

Parents and carers are invited to attend our Healthy Lunch Box Session which is being held on Friday 14th November between 12:00 and 12:30pm at our school.

Eating enough fruit and veg every day can help protect your child against diseases including some forms of cancer. This popular session is run by the Cancer Council NSW as part of the Eat It Beat It program.

Register your interest with the school office or email Aimee via aimeej@nswcc.org.au

Our School Garden

We have had fun picking and planting vegetables in the garden. 2B came to visit to see cucumber and celery growing.

- Travys Downton 5S
- Sukhman Gill 5S

Certificate of Excellence
- John Bundy 1R
- Lilly-Arna Post 2R
- Simer Sodhi 4L
- Kea Murray 6M
Year 3 Excursion

We were lucky enough again this year to see a turtle in a larger rockpool caught by the tide. It was beautiful to see it swimming up so close for us to look at. Mark Flanders, from the National Parks then took us on a journey through time and showed us the historical Aboriginal sites that are along the beach at Arrawarra, including The Fish Traps. He is a wealth of knowledge and his display of Aboriginal artefacts was interesting and very funny.

A BBQ lunch in the park and a play in the reserve completed our busy, hot, but very enjoyable day. I would like to say a big thank you to all the students for their interest, great behaviour and enthusiasm, and to Mrs Patterson and Mr Rook for their assistance on the day. Outdoor learning has so many benefits, and let’s hope we can venture out again soon.
