Welcome Back! It was great to see everyone back at school yesterday and we look forward to a productive and enjoyable term.

**ANZAC Day Service**

We would like to thank all students who participated with the school in the ANZAC Day March and town service last Friday. We were extremely proud of the way these students represented the school and the respect they showed during the service. **Well Done!**

The school service was held in the hall on Friday 11th April and again the students did a great job. Thank you to the RSL for sending along Peter Nuske who was an interesting and informative guest speaker.

**P & C - Mother’s Day Candles**

An order form was sent home yesterday with every student. If you wish to purchase something for mum please complete and return with the money by Tuesday 6th May.

**State Swimming**

Our school was very proud to hear the fantastic achievements of Ella and Emerson Bhatti who represented us at the State Swimming Carnival at Homebush in the last week of Term 1. Ella has qualified to compete at the National Championships in July.
**Gymnastics – Stage 1**

An in-school gymnastics program commenced today for students in years 1 and 2 this term. This program is led by fully qualified gymnastics coaches.

A permission note was sent home last term. It is important you return this note with payment as soon as possible to your child’s class teacher.

**AFL Clinic for K-2 children**

On Wednesday 7th May, the K-2 children will be involved in an AFL clinic at school. They will learn the basics of passing, catching and kicking. Each class will have a 30 minute session and their class teachers will be with them. There is no cost involved and should be lots of fun.

**Year 5 & Year 6 Major Excursions**

The $50.00 deposit for these excursions is due. If you wish your child to participate in the above excursions please return the permission note and money to the class teacher as soon as possible.

**Student Banking**

Student banking will commence tomorrow (Friday 2nd May). Students who wish to open an account may approach the Commonwealth Bank in Woolgoolga.

**Intention to apply: Year 5 entry to an opportunity class in 2015**

Government schools use a range of strategies to meet the educational needs of gifted and talented students. One strategy is opportunity class placement which provides intellectual stimulation and an educationally enriched environment for gifted and talented students. These classes are held at Toormina Public School and students would need to enrol there.

If you would like to apply for opportunity class placement in Year 5 in 2015 on behalf of your child, you need to do so soon. Parents have until the 16th May to submit their application forms online or you may collect a paper copy from the office.

Kik, Vine, Instagram – are they safe?

It’s no contest – kids discover and understand new social media long before we adults do. If your child is thinking about creating a new social media account – or complains that “everyone else is doing it”, you can get the facts a glance from School A to Z’s technology glossary. You’ll also find information about age restrictions and things to watch out for: http://bit.ly/188OerY
