MNC Cross-Country

Congratulations to all students who represented our school at the District Cross-Country last Friday. Nine students will now go on to represent the Coffs Harbour District at Grafton this Friday. Good Luck to Baxter March, Jack Snowling, Chip Desalegn, Talon Mitchell, Matthew Tapping, Lachlan Rook, Jesse Beresford, Abang Desalegn & Reece Mitchell.

North Coast PSSA Netball

A big congratulations to our netball team who won against Corindi Public School today at the Woolgoolga Netball Courts. The score was 24 – 3, winners are grinners! The next match will be played in June.

Thank you to parents and our two netball umpires from Woolgoolga High School.

Relay for Life - Fundraising

We have all been touched by cancer, even in our workplace. With this in mind, the staff at Woolgoolga Public School, have formed a team and will participate in Relay for Life in support of cancer research.

As part of our fundraising efforts we will be holding a school mufti day to support cancer research on the 28th May. We would like to involve the students, requesting they bring a gold coin donation and wear purple in a show of support for Relay for Life. We would be appreciative of any additional monetary donations which can be made to the office or directly to:
A School Banking Co-ordinator role not only helps our kids learn financial literacy, and earn money for our school… it could actually help you land your next paid position! By volunteering a couple of hours of your time every few weeks, you could learn some valuable skills which many employers would love their next employee to have! You will gain experience in program promotion and administration, application processing, cash handling, customer service, inventory management, use of the web based school banking system, account reconciliation, and also dispute resolution.

If these sound like skills you would love to have, please contact Sue or Dom, or let the front office know.

**PSSA Rugby League**

Congratulations to our rugby league team who played against Narranga today. Our school team won 46 – 4.

They now move into Round 3 of the draw.

**Headlice**

Around 23 per cent of primary school children screened through the NSW Health Nitbusters program have head lice. Head lice are a very common problem that most parents and teachers are more than familiar with. If your child has head lice here are some treatment tips:

- Do not treat your child if their scalp is irritated or inflamed
- Always read the head lice product label and directions before you apply it to your child's head. Products can be found in local chemists
- Apply the head lice product to every strand of your child's hair and work through, leave for 20 minutes, and comb out with a good quality lice comb
- Check your child's head and if dead lice are found, the product has worked. However make sure you re-treat your child's head in seven days to catch nymphs that have emerged from unhatched eggs
- Reduce the risk of your child catching head lice by tying their hair back or braiding it.

For more information visit:
