Northern Beaches Winter Sports Carnival

On Friday 20th June (tomorrow), students in years 3 to 6 will attend the Winter Sports Carnival at various venues. Students will participate in a range of sports including AFL, netball, soccer and oz-tag.

The focus of this day is participation and fun and hopefully the weather is kind and everyone has an enjoyable day.

Festival of Instrumental Music

Seven of our students will be performing at the Sydney Opera House on Monday as part of the Festival of Instrumental Music. Our recorder group have been working hard to be ready for their performance. We wish them every success and hope they have a great time in Sydney.

Westpac Rescue Helicopter

A very big thank you to all students who donated to this worthy cause last Thursday. Our school raised $500. Well done!!

Volunteers within our school:
Have you completed the Working with Children Check for 2014?

The Department of Education & Communities implemented a new Working with Children Check in 2014 with the aim to provide better protection for children. In accordance with the Child Protection (Working with Children) Act 2012 and Child Protection (Working with Children) Regulation 2013, volunteers are required to complete a declaration and provide 100 points of identification.

These forms are available from the front office and should be completed before undertaking voluntary work within our school.

Thanking you for your cooperation.

Stage 2/3 Assembly

The stage 2/3 assembly will be held over until next week due to our Northern Beaches Winter Sports Carnival.
Year 5 & 6 Major Excursions

The Great Aussie Bush Camp
The Year 5 major excursion to the Outdoor Education Experience Fitness Camp at Tea Gardens, just north of Newcastle is fast approaching. All students should have now paid their deposits and made regular payments over the last few weeks. There are still some vacancies on this terrific trip.

Year 6 Brisbane Excursion~ Monday 13th October to Thursday 16th October.
The Year 6 Excursion to Brisbane is also approaching and regular payments should be being made.

Making progressive payments makes it much easier for parents.

K-2 Donation Appeal
We would like to send out an appeal for toy donations for our K-2 students. As we head into the colder months the students sometimes find themselves limited to playing games under the COLA due to weather conditions. We are asking families to search their toy boxes for sturdy building or construction material such as lego and duplo blocks, toy cars and trucks that their child may have grown out of and would be willing to donate to our school.

Please do not send toys that are broken and potentially hazardous to our students. Rugs or mats in good condition would also be welcomed for the students to sit on. Please take any items straight to your child’s classroom teacher.

Voluntary School Contributions
Each year we ask parents and carers to consider making a small voluntary contribution to the running of our school.

The amount for 2014 is $30 a year per student (4th and subsequent children are free) and this money is used to help support the operation of the school.
In class this week 6A and 6M took part in a community CPR initiative co-ordinated by the Royal Life Saving Organisation. We were visited by Andrew, a Royal Life Saving Instructor, who explained to the students the fundamentals of CPR. Students were then given the opportunity to demonstrate their new skills on CPR mannequins.
