Year 5 Major Excursion

Our year five students had a fantastic time last week at the Great Aussie Bush Camp. They participated in a variety of enjoyable yet challenging activities. Staff at the camp commended the students on their excellent behaviour. There are more photos on the back page. Well done to all involved!

Literacy and Numeracy Week

As this week is Literacy and Numeracy Week, it is a great opportunity to highlight our schools ongoing emphasis in these areas.

All students from Kinder to Year 6 participate in daily structured reading activities to promote their skills, knowledge and understanding of text. Additional teaching staff support our students and their teachers in the classrooms to provide engaging activities.

We would encourage all parents to become actively involved in the reading process by listening to your child and or reading to your child on a regular basis. These developed reading skills will in turn strengthen skills in writing, spelling and talking and listening.

This year, teaching staff has been introduced to the new Mathematics K-10 Curriculum. This has allowed staff to explore and develop new teaching ideas and strategies within this framework. We look forward to providing all students with exciting and fun ideas in maths.

The Great Debate

We wish our schools representatives; Emmett Weiss, Lara Enersen, Sarah Goodman and Sophy Simson all the very best for “The Great Debate” at Mullaway Public School today.

This competition involves many schools in our area, helping students to develop their debating and public speaking skills.

We look forward to hearing of their results and experiences in this competition.
2014 School Photographs — Wednesday 8th October

Envelopes for your child’s school photographs have been sent home today. Please select the package you wish to purchase and return it with payment to your child’s class teacher no later than Tuesday 7th October.

Please complete all sections on the front of the envelope and record the quantities you wish to purchase in the boxes provided on the order envelope.

If paying in another family member’s envelope please record the name and the class of the paying student. Every student must have their own completed order envelope.

Please make cheques payable to Advancedlife Photography prior to photo day. Online payments can also be made at: http://www.advancedlife.com.au

Family photo envelopes are available from the school office if you wish to have one taken.

Stage 1 – Sherwood Rainforest & Rockpool Ramble

Don’t forget our excursion next Wednesday to Sherwood Nature Reserve. Please return notes and money to your class teacher by Monday 1st September.

North Coast Athletics

Congratulations to: Jasmeet Singh, April Flaherty, Jade Tapfield, Talon Mitchell, Jesse Beresford, Ramazani Salumu, Talisha Harboe and Charlie Greenhalgh who will be competing at the North Coast Athletics carnival in Lismore on the Tuesday 2nd September 2014. We wish them well in their chosen events.

Year 6 Graduation

Footballs and Bears

Orders will be closing on the 12th September for these items.

Stepping Stones Triple P Project -
A world-first parenting intervention is happening in New South Wales, and you're invited to be part of it.

From early 2015, every parent and caregiver of a child with a disability in NSW can get free parenting support through the Stepping Stones Triple P (SSTP) Project. Stepping Stones is an evidence-based parenting program which can significantly reduce child behaviour problems and improve parental wellbeing.

To access free help under this project, parents of children with a disability aged 2 to 10 are invited to first complete a survey called My Say and register their interest. We’re using survey responses to help identify regions in high need of parenting support, so don’t let your area miss out! Please do everything you can to let local parents and professionals know about the SSTP Project and the importance of filling in the My Say survey.

You can also like the project’s Facebook page to help spread the word that free parenting support is coming to NSW. I look forward to bringing you more information about the SSTP Project, and thank you in advance for your support.
Professor Stewart Einfeld
Principal Investigator, SSTP Project
FHS Senior Scientist, The Brain and Mind Research Institute

AWARDS

CONGRATULATIONS
To this week’s
Award Winners
Certificate of Merit
