Kindergarten 2016

Our Kindergarten transition program is well underway. Tomorrow, Friday 6th November, we welcome parents of 2016 Kindergarten students to attend the information session in our school library from 9:30 – 11:30am, whilst students will enjoy literacy activities in the Kindergarten rooms.

Remembrance Day – Wednesday 11th November

A brief service will be held at our school next Wednesday to commemorate and remember the noble sacrifices of armed forces and civilians during times of war.

Excel Class 2016

Students from all local primary schools submitted portfolios, displaying their academic prowess in order to be considered for this prestigious opportunity. Students enjoyed the Super Saturday at Woolgoolga High school to further demonstrate their practical skills in many areas.

They were addressed by Mr Guy Wright (Principal) and several other members of staff who will assist with their transition to high school.

P&C Christmas Raffle

The Christmas raffle is on again and your assistance will ensure its' success. This is a wonderful opportunity to support your P&C and actively help contribute to your school.

Parents may contribute non-perishable food or Christmas items (canned food, pasta, tea, pancake mix etc) for the Christmas hamper. Please leave your donations with the office staff.

Some classes have been issued with raffle tickets and as soon as more books are available they will be sent home with your child. The raffle will be drawn on Tuesday 8th December. The P&C greatly appreciates your support.

Arriving at School

Students should arrive at school between 8:45 and 9am in the morning. The morning play session and supervision begins at 8:45am. Students should only arrive at school prior to this where it is unavoidable. If they are at school prior to 8:45 they should remain seated in the COLA area.

Students Leaving or Enrolling in 2016

To assist our school planning for next year, could you please contact the school office if you are aware of any families leaving or moving into our area in 2016. This information helps in minimising disruptions to the start of the new school year.

As the end of year approaches we would also like to remind parents to ensure your contact details are current. Please contact Carol or Marion in the front office to update any changes.

Thank you for your assistance.

Fundamental Movement Skills at Home - Kicking

Kicking is used in many different sports and children’s playground games. Practise kicking at home and make sure your child:

1. Takes a long step before making contact with the ball
2. Places their non-kicking foot next to the ball
3. Kicks with their toe or shoe lace area of their foot

For more information go to www.healthykids.nsw.gov.au

Gold Award
Congratulations to Talisha Harboe of 5/6A who will receive her gold award at Presentation Day.
This term 4S have been creating and learning about imaginative texts including recount. This week we have discovered a new way to write recounts in the form of ‘timelines’. We split into pairs and small groups and produced timelines about the Wright Brothers. Wilbur and Orville Wright were American inventors who created the first airplane. 4S enjoyed making these timelines. Here are some examples.

By Rianna and Prakaash.
