Year 6 Orientation Day

Next Thursday, 3rd December all year 6 students currently attending Woolgoolga, Corindi, Mullaway and Sandy Beach Public Schools will be attending Woolgoolga High School for their Orientation Day.

This is a fantastic opportunity for students to see and participate in life at high school. A note has been sent home.

2016 SRC

Last week students listened to the speeches delivered by the nominated candidates, from years 4 and 5, as part of the process for electing our 2016 Student Representative Council.

The thought, maturity and sense of pride evident in all speeches make us proud to be part of Woolgoolga Public School. Congratulations to all candidates who, being recognised for their leadership potential, were nominated by their peers.

Students in years 2 – 5 then voted, along with staff to decide on our 2016 SRC. Our new representatives will be announced on Presentation Day with the induction to take place early next year.

New School Library System – Oliver

A new school library system was introduced to all NSW Department schools this term. The new system offers, anywhere, anytime access to online learning materials and supports interactive engagement with digital and physical resources. Access will be fast, easy and flexible, via staff and student portals.

With the new system we will have the option to integrate a wide range of online resources, including eBooks and other interactive digital content.

Students will be able to check loans, make reservations and receive alerts, search, request and rate resources, publish reviews, access resource lists and develop bibliographies.
