Uniforms

I would like to congratulate all students for the wearing of full school uniform and to all parents for ensuring this is happening each morning. What a wonderful start to the year! Of particular note is the number of students who are now wearing black shoes which really helps our students to look great when at school.

Please remember that our bottle green broad brimmed hat is part of our school uniform and needs to be worn to school each and every day by all students.

Students are required to have their hat to participate in physical education and sporting activities. This is all part of our school's Sun Safe Policy.

Clean Up Australia Day

The official Clean Up Australia Day for schools will be held tomorrow, Friday 27th February. Schools’ Clean Up Day is specifically designed to allow students to participate in Clean Up Australia as part of a school activity. All classes have been briefed about what to do if they come across hazardous materials.

Important information for families ...

♦ All classes will be designated an area of the school grounds to clean up.
♦ Each student is asked to bring a pair of garden gloves to wear for this activity.

This is a great way for WPS students to learn how to reduce the impact of waste on our environment and make a real difference in their local community.

Mid North Coast Swimming

On Monday students from Woolgoolga Public School travelled to Coffs Harbour Swimming Pool to compete in the Coffs Harbour PSSA District Swimming Carnival.

A number of our students have made it through to the Mid North Coast Swimming carnival in Coffs Harbour today. We wish them the best of luck in their events.

Roo Roll

As part of our extensive health and safety program we will have the “Roo Roll” program in our school this Friday. Students from Kinder to Year 3 will be briefed on the potential dangers of kangaroos, the importance of staying clear of them as well as how to protect themselves should they accidentally encounter a kangaroo.
Jargon Buster

Wondering why your children talk about playing under the school COLA? Baffled at parent-teacher discussions about KLA's? This list of common abbreviations or terms will help you to become familiar with the world inside school.
