K – 2 Responsible Pet Visit

Last Thursday students in Kindergarten, Year 1 and Year 2 had a visit from Gina Pagan and her special dog, Cruze. Gina works with the Responsible Pet Care organisation. Each grade learnt how to recognise a happy, scared and angry dog. Students were also taught that they should never touch a dog which is not on a lead or with its owner and to ask the owner’s permission before patting a dog. We would like to thank Gina and Cruze for coming and visiting our school and providing such an engaging and informative session on responsible pet care.

Woolgoolga Garden Club Donation

Woolgoolga Garden Club donated a Mitre 10 voucher for $100 to the school for gardening projects. Monies raised at the Club’s annual expo in October allow the club to direct funds back into local community schools to foster interest in gardening and beautification projects. Club President, Scott Rodham presents the voucher to Mr Paul Clark, Principal, Mr David Blanshard, and school captains, Lachlan Rook and Jesse Beresford.
**Meal Deal Day**

**Funky Hair Day**

As we move through March, television and radio ads tell us it is the month for the World’s Greatest Shave and raising money for the Leukaemia Foundation. As you know this is something close to the hearts of many people in this area and particularly Woolgoolga Public School. Proudly, two students and a parent of our school have registered and are fundraising madly. Bino Foord is having the great chop and two year 5 students; Gemma Hodgkinson and Kaitlyn Smith are shaving it all off! The girls will have their ponytails cut and donated and then follow up with a possible number 3 with the clippers!

The girls and their families have organised a raffle and will be selling tickets again on Saturday 21st March in downtown Woolgoolga. There are some great prizes to be won.

A further note will be sent home regarding ‘Funky Hair Day’ and an opportunity to buy ‘funky face biscuits’ from the Canteen all to help raise money for these brave individuals.

If you would like to sponsor any of these people please head to worldsgreatestshave.com and type in their full name to locate their personal site.

**Disco/Sausage Sizzle**

On Tuesday 24th March we will be holding a disco/sausage sizzle to raise funds for the Leukaemia Foundation. A note will be sent home in the near future.

Science Starters

Did humans live with dinosaurs? Does the moon disappear in the day? Students love to know the answers to life's mysteries but there are a few facts they often get wrong in the name of science. Find out more:

Public Speaking

Does your child suffer glossophobia? Fear of public speaking is common. Try creating opportunities for your child to present speeches to the family, without putting pressure on them to perform. Here are some tried and true tips to make your child’s next speech a success.

6M are working at improving their descriptive writing skills. They are learning how to effectively incorporate similes, metaphors and noun groups into their writing to better describe various objects and scenes. After editing their writing, they then publish it using their computer skills. The students have written some excellent pieces of work!
Well done 6M!
