Mullaway Real Estate Perpetual Soccer Shield

Last Friday our school, along with the other northern beaches schools contested the annual Mullaway Real Estate Perpetual Soccer Shield. Despite the boys missing two players they stepped up to the challenge by winning their first game against Sandy Beach 4–2. They dominated play in their second game but eventually went down 0–1 to a very determined Mullaway team. Our boys displayed great determination, sportsmanship and teamwork resulting in a second place in their draw.

Our girls’ team continued to show great improvement each game. The first game saw them defeat Sandy Beach 9–0 and then go on to defeat Corindi 5–0 in the final. What a wonderful effort with no goals scored against them. Our combined effort enabled us to bring the shield back once again to hang on the wall in the hallway.

Thank you once again to parents for transporting and supporting our students. Miss Luttringer and I were both very proud to have coached them. Mrs Booker

Both teams showed great sportsmanship, teamwork and were great representatives of our school. Thank you once again to parents for providing transport and supporting our students.

Scott Priest

Scott was offered a position with the AC Milan Academy in February this year after travelling to Sydney to trial for a position.

Due to being located so far away, Andrea offered Scott a rare opportunity to attend training sessions 3 days out of each month so that he can continue to monitor and progress Scott’s development.

In September this year he will be attending a three day tournament in Sydney and in the middle of next year will get the awesome opportunity of travelling to Italy to participate in a tournament overseas. Congratulations Scott!
