Road Safety – Keeping Our Students Safe

The safety of students is always our number one concern. Students are reminded to cross Scarborough Street at the pedestrian crossing where there is always a teacher on hand to assist them. We ask parents that parents assist us with training students in road safety by using the crossing and parking in the correct areas.

Please refrain from parking in the bus zone between the following times:

8:30am to 9:30am and 3:00pm to 4:00pm.

Stopping in a school bus zone incurs a $319 fine and loss of 2 demerit points.

We would also like to remind parents the school car park located between the hall and the administration building is not for use as a drop off or collection point. This area is very busy with children moving to bus lines and buses arriving and departing from our bus bay area. Please be advised that the thick yellow lines near the gutter mean this is a NO Stopping Zone.

We appreciate your support to ensure the safety of your children. Thank you

Year 7 High School expressions of interest forms were sent home with year 6 students this week. These forms must be returned to the teacher as soon as possible. This form needs to be completed for your child’s placement at high school next year whether it is a government high school or private school placement.

- monitors individual progress in a range of subject-related skills,
- recognises and rewards achievement at all levels and
- provides a comprehensive analysis of student performance.

All students wishing to participate should return the permission note indicating the specific competitions to be entered, and the total entry costs to school no later than Monday 14th March 2016.

6M have been learning about Democracy and the way it developed in Australia. We have studied the events that took place at the Eureka Stockade and what effect it had on our right to vote, as well as the different stages of the implementation of Democracy in Australia. We are currently completing a research assignment on Democracy in computer classes.
