Twilight Fete – Friday 18th March

Plants
The P&C will be holding a plant stall at the fete with the generous help of Woolgoolga Community Gardens. We are looking for donations of any plants in good condition (please no diseased ones!) for the stall. If you have 1 or 2 plants, these can be taken to the office. If you have more, please call Dominique White on 0404 540 502 and she will arrange to collect them from you.

Cakes and Biscuits
It is now time to get your bake on for the Stage 1 cake stall! A separate note has been sent home about how you can help and where to bring your yummy baked treats to sell at the fete.

Donations
We are also still accepting donations for White Elephant items, second hand books, preloved clothes, chocolates for chocolate pond, Easter eggs and cane baskets for the Easter raffle. We will be accepting donations until Wednesday 16th March.

The Wipeout is Coming!!
Be prepared for a whole heap of fun on the Wipeout, which is coming to the fete next week. This ride takes extreme to the next level. There are eight pontoons on a 9 metre round inflatable and the object of the game is to duck the swinging bar and jump the lower bar. The Wipeout gets faster and faster and it goes backwards and forwards, so it’s a very tricky activity indeed. Will you be WIPEd OUT?

There will be $25 tickets for unlimited rides at the fete so you can enjoy the Wipeout, jumping castles, bungee basketball and the mechanical bull all afternoon. Individual tickets will also be available for the rides.

Voluntary School Contribution
Good news for anyone who pays the annual voluntary school contribution by Thursday 17th March 2016. Names will be put in a draw to win a family pass to The Great Moscow Circus valued at $135.00.

There are also 14 student passes to win, (students must be accompanied by a paying adult). The passes are for Saturday 19th March 2016.

Good Luck Everyone

The simplest way
...to save time packing lunches.

We know parents are eager to pack healthy, nutritious lunches.
But doing it five times a week, and getting the kids keen on healthy options such as fruit and vegetables, can feel like a chore.

Plan ahead to get organised and save time:
- Make sandwiches at the beginning of the week and freeze, then add fresh salad on the day.
- Cook extra at dinner and use leftovers for lunches - baked veg, stir fry, pasta and rice work well.
- Chop up sticks of carrot, capsicum, celery or cucumber and store in a container in the fridge until ready to use.
Let the kids help prepare and select, saving you time and getting them interested.
