AIM OF WPS

WPS will work cooperatively with its community and parent bodies to provide a stimulating, challenging environment in which all students will develop the skills and attitudes necessary for success in learning and living and become confident and caring young citizens who value themselves and others.

WPS provides its students with a stimulating and

SPECIAL PROGRAMS

Special programs include: English as a Second Language, Community Language, Reading Recovery, Integration, Student Welfare, Computers, and Learning Difficulties. All key learning areas are taught using an integrated approach ~ English, Maths, Science & Technology, Arts, PD Health PE, Human Society & Its Environment.

STUDENT WELFARE

Student Welfare is a major priority at WPS. Students are encouraged to treat others fairly and in a non discriminatory manner. Students are encouraged to take responsibility for their actions and act honourably to stand strong for what they believe in and know to be right. By doing so they will develop quality relationships with peers and adults.

ACCESS TO THE LATEST IN TECHNOLOGY

All students from K-6 have access to the latest in technology. Computer lessons are held in the computer lab and in the school library. The use of technology is encouraged across all areas of the curriculum.

Computers feature in all classroom programs

QUALITY TEACHING

FRAMEWORK FOR NSW PUBLIC SCHOOLS

WPS is committed to providing a high quality educational environment which fully develops the talents and capabilities of all students. To ensure that this important aim is met the three elements of quality teaching: intellectual quality, quality learning environment and significance of the NSW Quality Teaching Framework have been implemented throughout our school.

PARENT INVOLVEMENT

Parent involvement is highly valued at WPS. There are a number of ways in which parents can become involved in their child's school life:

- P&C
- Canteen
- Maths
- Classroom Helpers
- Library Helpers
